

Questionnaire for specific skilled foreign care workers

Jessica Lopez age : 34
Place of birth : Philippines
Date of arrival in Japan : 2023-06

Q1. What made you decide to come to Japan?

Japan is a very safe and beautiful country. In addition, people are kind and well-disciplined.

Q2. Why did you decide to work at a nursing home?

Taking care of my grandparents so I want to help other elderlies too.

Q3. What is your impression of Kagoshima?

• Impressions before coming to Japan

There are many beautiful places to visit in KAGOSHIMA, JAPAN.

• Impressions after coming to Japan

People are very kind and helpful even though that I am a foreigner.

Q4. What kind of work do you do at a nursing home?

We provide support to the elderlies who have difficulties in daily living and help them in continuing their usual lifestyle.

Q5. Do you enjoy your job?

Yes I am enjoying my job because of the people around me.

Q6. What do you talk about with your co-workers?

We are talking about lifestyle and culture in Japan.

Q7. What did you enjoy in Kagoshima?

Koshikijima It is a quiet place and has fresh air.

And other than, the lifestyle is inexpensive compared to living in a city.

Q8. What do you become addicted to now?

Planting vegetables in my garden.

Q9. Is there anything you would like to try?

• At work

I like to improve my conversation skills so I can chat with the elderlies because it seems their stories are interesting.

• Outside of work in Kagoshima

I want to explore more of KAGOSHIMA City and try to experience hot springs

A word from a senior at the facility

We know it's hard to study Japanese and even harder to study Japanese in a difficult dialect, but Jessica, you'll be fine. Let's do our best together!
